**Supermodel Enikő Mihalik Named Beauty Ambassador  
of the Award-Winning Harmony Spa at the Aria Hotel Budapest**

New York (Sept. 2017) – Enikő Mihalik, a Hungarian-born supermodel and internationally-known cover girl, can now add Harmony Spa Budapest Beauty Ambassador to her resume. [Harmony Spa Budapest](#) at the award-winning [Aria Hotel Budapest](#) by Library Hotel Collection has announced it will partner with Mihalik to create, shape and advise on Harmony Spa’s innovative beauty treatments and the personalized experience that goes along with Hungarian beauty methods.

Harmony Spa Budapest, winner of the Best Wellness Spa in Europe at the World Boutique Hotel Awards, has earned a loyal following for its natural approach to beauty and well-being with exclusive body treatments and rituals which benefit from high performance ingredients, Hungarian thermal water, natural herbs and vitamin extracts. Hungarian beauty treatments are world-renowned for their methods which often combine natural with synthetic ingredients right in front of the guest allowing for a truly customized experience based on skin type and condition. The greatest skill for a Hungarian beautician is their extensive training in the knowledge of herbs, extracts, oils, butters and chemicals and their effect on skin conditions to create the best possible treatment regimen.

Mihalik has built an international modeling career that began when she was named winner of the Hungarian Elite Model Look contest in 2002, and placed fourth in the international Elite Model Look. Since then she has appeared in numerous hi-fashion magazines including: *Elle*, *Vogue* and *Harper’s Bazaar* along with walking the runway for iconic brands like Victoria’s Secret, Max Mara, Chanel, Gucci and Versace, to name a few. “I am proud to have such a world-class spa in Budapest and I am pleased to work with the professional team at Harmony Spa Budapest and serve as their Beauty Ambassador,” said Mihalik.

The Aria Hotel Budapest, recently named #1 Hotel in the World in the TripAdvisor 2017 Travelers' Choice Awards, is a 49-room luxury hotel where music enhances every guest
