Posted on November 28, 2019 — No Comments ↓

Scenic Luxury Cruises and Tours has expanded its roster of historically and culturally significant cruise and land-based tours to Egypt and Jordan for the 2020-2021 season and have also added escorted tours to Israel and Oman.

Details on tours, including the new 12-Day Wonders of the Nile, the 19-day Egypt & Jordan Experience and the eight-day Highlights of Israel, are detailed in Scenic's new 2020-2021 brochure – downloadable from the company's website – <https://www.scenic.ca>, or available in hard copy.

Guests booking by Dec. 31 have several options on many of the itineraries and departures: free air, free air plus \$350 per person savings, and upwards of \$700 per person savings.
