Boston, MA, January 2020 – [Scenic](#) is kicking off the 2020 WAVE season with irresistible [offers](#) on its ocean and river products. Highlights include free economy, premium economy and business class air, and door-to-door airport transfers, as well as some great discounts. All WAVE offers are good on new bookings made by March 31, 2020 and are combinable with past passenger and referral offers and vouchers. They are not combinable with group offers.

Guests wishing to enjoy a truly once-in-a-lifetime sailing on the world’s “Best New Luxury Ship”*, [Scenic Eclipse](#), can enjoy free business class flights (or \$3,000 pp savings) as they make their way to Buenos Aires for their 20-day Antarctica trip in the fall of 2020. The Nov 20 and Dec 8 sailings will WOW the guests as the ultra-luxury, Polar 6 ship explores Antarctica, South Georgia and the Falkland Islands. Other offers on select departures throughout 2020 and 2021 include business class fares of just \$995 and \$1,995 and free economy air (or up to \$2,500 savings in lieu of the flights). Earlybird fare savings of up to \$6,950 per person, double, are also available on some departures.

Guests looking to explore the European rivers on one of Scenic’s Space Ship – so named because of the large amount of space available per passenger - can take advantage of free air or \$1,000 per person savings on 8- to 10-day itineraries; free premium economy air or \$1,800 per person savings on 11+-day sailings; or \$1,995 business class airfares on select departures. Door-to-door airport transfers are included for those guests booking cabins on the highest deck (Diamond) on the 11+-day sailings. Guests booking any cabin on a 15-day Jewels of Europe itinerary, departing between July and October 2020, will receive free premium economy airfare and door-to-door airport transfers. Going solo? Scenic is offering 50% off the Single Supplement rate on quite a few of the 2020 departures as well.

ratio of almost 1:1, and two on board helicopters and a submarine offering truly unique discovery experiences.
