Embrace the Romance of Sailing the High Seas with Star Clippers

Miami, FL (February, 2023) – There’s something inherently romantic about a sailing vacation: the warm air on your skin, the thrill of visiting far flung locations, the vibrant sunsets glimpsed from a cozy spot on deck. For travelers looking to celebrate their love—whether on Valentine’s day, a honeymoon, anniversary, vow renewal, proposal or just a retreat for two—the romance of gliding into an exotic port aboard one of the [world’s largest clipper ships](#) under full sail is simply undeniable.

There are many reasons why a [Star Clippers](#) sailing is an ideal romantic getaway—following are a few favorites:

Sunset and Seascapes

The sea has held romantic appeal for as long as there have been lovers. On a Star Clippers sailing, the sea is a constant companion. Couples love to relax in our bowsprit netting to listen to the waves and experience the feeling of being surrounded by water on all sides. Watching the sun rise each morning and slip below the horizon each evening is from the top deck also makes for some incredibly romantic moments.

Making Memories

Sharing new adventures and experiences can make you feel closer to your partner and provide plenty to reminisce about once you're back home. Whether you share a walk along a white sand beach or a champagne toast under the stars, couples will cherish the moments spent together on a magical sailing voyage.

Date Night Every Night

On Star Clippers, every night is date night—without having to worry about where to go and what to do. Spend quiet time on deck watching the stars, hit the Tropical bar for a cocktail or dance the night away. When you're ready to call it a night, your cabin is close by.

Your Days, Your Way

Onboard Star Clippers, couples can fill their days exploring each port and participating in onboard activities like climbing the mast or taking a knot tying class—or do nothing at all. It’s the ultimate relaxing vacation no matter how you decide to spend your time together.

Romantic Ports of Call

Star Clippers visits some of the most romantic cities in the world. Couples can spend time exploring the cobblestone streets of ancient Rome, sipping cocktails on the beach in St. Tropez, and even zip lining in the rain forest in Costa Rica...all with the one you love.

To sweeten the deal, Star Clippers has a variety of special offers available including up to [\\$400 onboard credit and prepaid gratuities on select Mediterranean sailings](#) and [\\$400 per person savings on select Costa Rica and Caribbean departures](#). All current Star Clippers specials can be [accessed here](#). **Offers valid for residents of North, Central and South America only.**

For more than 25 years, Star Clippers has been introducing travelers to the thrill of modern tall ship sailing to remote ports in the Caribbean, Mediterranean and Central America. The company operates three of the world's largest and tallest sailing vessels: *Star Clipper* and *Star Flyer* are traditional clipper ships with modern amenities carrying 170 guests, while the 227-guest *Royal Clipper* holds the Guinness World Record for being the largest and only five-masted, full-rigged sailing ship in service today. All three ships have expansive teak decks, swimming pools, informal dining, convivial tropical bars on deck and piano lounges.
