Miami, FL (March 2023) – Picture this: summer vacation globetrotting through Europe, sunning on the beaches of the Mediterranean, touring ancient and modern cities and enjoying a cocktail at a chic outdoor cafe. What could be more glamorous? But for many travelers this vacation can feel unreachable – between multiple hotel bookings, transportation between cities and countries, and eating out for every meal the price tag can get steep quick. Enter Star Clippers unique sailing adventures. Sailing is the ultimate way to experience multiple European countries in one exciting week without breaking the bank. An array of [Star Clippers](#)’ seven-night sailings through favorite destinations such as Greece, Italy, France, and Spain start at just \$1,890 per person.

A Star Clippers sailing includes most everything under one fee—your cabin, three delicious meals a day, entertainment, the assistance of knowledgeable cruise director, and transportation to and from the ports via tender boats—making it easy to stick to your budget. It also affords the luxury of unpacking your suitcase just once, no lugging it across cobblestone streets or worrying about misplacing it, while waking up in a different destination each day.

In addition to saving your budget, a Star Clippers sailing also helps to save something even more precious—your time. Instead of rushing from train station to hotel and back again, guests on Star Clippers’ tall ships can relax and enjoy the thrill of sailing as they travel between Greek isles or along the picturesque Amalfi Coast. Add to this picture the inherent romance of sailing under the power of the wind, watching the sun rise over the ocean and relaxing on deck as you approach each new port. And it’s easy to make friends while experiencing the joy of sailing together—another benefit over staying in stuffy hotels.

To help make your European summer vacation dreams even easier to achieve, Star Clippers is offering guests their choice of a \$400 per person air credit or \$400 per cabin onboard credit plus complimentary pre-paid gratuities when booking select sailings by March 31, 2023. Offer includes 2023 and 2024 sailings in the Eastern and Western Med ranging from six to 12 nights. [Offer](#) is valid for residents of **North, Central and South America only.**

For more than 25 years, Star Clippers has been introducing travelers to the thrill of modern tall ship sailing to remote ports in the Caribbean, Mediterranean, and Central America. The company operates three of the world's largest and tallest sailing vessels: *Star Clipper* and *Star Flyer* are traditional clipper ships with modern amenities carrying 166 guests each, while the 227-guest *Royal Clipper* holds the Guinness World Record for being the largest and only five-masted, full-rigged sailing ship in service today. All three ships have expansive teak decks, swimming pools, informal dining, convivial tropical bars on deck and piano lounges.
