## **Say “I Do” to a Romantic Celebration Sailing on Star Clippers**

### ***Book a unique vow renewal, honeymoon or anniversary getaway on an authentic sailing ship***

Miami, FL (June, 2023) – When it comes to planning a couples’ getaway—whether it be to celebrate a honeymoon, anniversary or vow renewal—the romance of sailing is hard to beat. Enter [Star Clippers](#), a modern, tall clipper ships company offering an ideal setting for couples looking to explore some of the world’s most beautiful destinations together while experiencing the thrill of sailing under wind power surrounded in modern comfort.

Star Clippers fleet of three ships sail in the Caribbean, Central America and the Eastern and Western Mediterranean, offering destinations and experiences to fit every couples’ travel style. Adventurous types will gravitate toward a [seven-night Costa Rica and Panama itinerary](#) to visit the famed Manuel Antonio State Park for wildlife spotting, ziplining through the rain forest, and snorkeling along the coral reefs on Parida Island, Panama. Those looking for a laid back beach getaway have a host of options, including this [seven-night Grenadines Island itinerary](#) with ports of call on multiple unspoiled beaches—often two different beaches per day for maximum water time—that can only be reached by small ship. History buffs may feel drawn to the Mediterranean, whether on a [seven-night Rome to Cannes sailing](#) to visit lesser known ports in Elba, Sardinia, Corsica and the French Riviera, or this [seven-night Southern Cyclades cruise](#) round trip out of Athens with a different port of call each day in Greece and Turkey. Either way, couples will enjoy strolling hand in hand taking in the culture and cuisine of Europe together.

On any of Star Clippers’ ships, couples can choose to recommit to one another with a special vow renewal ceremony, presided over by the ship’s captain. Photo opportunities abound Honeymoon couples celebrating onboard Star Clippers receive a complimentary bottle of champagne and a plate of sweet treats on their cabin.

Couples can make any Star Clippers getaway more memorable with a shipboard vow renewal ceremony. With the Captain acting as officiant, couples can reaffirm their love and commitment on deck, surrounded by the beauty of the sea and an audience of new friends. With romantic photo opportunities on hand across the deck, they’ll find it easy to commemorate the moment. Honeymooning couples celebrating

onboard Star Clippers aren't left out; they'll receive a complimentary bottle of Champaign and a plate of sweet treats delivered to their cabin.

Couples can challenge one another to climb the mast to the crow's nest—at 75 feet above water level, the crow's nest offers incredible views of the ship and the scenery beyond. Another favorite spot is the bowsprit netting, where couples can get cozy with the ocean beneath them and watch the world go by; the lengthy bowsprit, stretching 30-feet forward of the bow, is open to passengers during the day, and the hammock-like netting suspended over the ocean affords the most unique, and delightful, setting on any cruise ship afloat.

For more than 25 years, Star Clippers has been introducing travelers to the thrill of modern tall ship sailing to remote ports in the Caribbean, Mediterranean and Central America. The company operates three of the world's largest and tallest sailing vessels: *Star Clipper* and *Star Flyer* are traditional clipper ships with modern amenities carrying 170 guests, while the 227-guest *Royal Clipper* holds the Guinness World Record for being the largest and only five-masted, full-rigged sailing ship in service today. All three ships have expansive teak decks, swimming pools, informal dining, convivial tropical bars on deck and piano lounges.
