Scenic Offers Early Booking Opportunities for 2025 River Cruise Season with New Itineraries, New Excursions and New Extensions

Booking early brings rewards – 2-for-1 pricing and free air

Hollywood, FL October 2023 – Due to strong sales and growing interest, Scenic is unveiling its 2025 European River Cruise season earlier than usual – adding more eight- and 15-day departures, new itineraries and city extensions and updating the suite categories to simplify the choices for guests. Pricing and itinerary details are now available for all 2025 sailings – France, Portugal, the Rhine and Danube and everywhere in between, as well as information on the so-many-to-choose-from immersive experiences (Scenic Freechoice) and exclusive events (Scenic Enrich), and, of course, the long list of inclusions that come with a truly all-inclusive vacation.

Two new itineraries highlight the season. The popular eight-day [Gems of the Danube](#) has been changed to now sail between Regensburg and Budapest, allowing for more time in ports to explore along the route. Added to this route is a stop in Bratislava, the capital city of Slovakia, and new excursions: exploring the city's medieval old town (dating back to the 9th century) with an expert guide; and a morning of enjoying coffee and cake with friendly locals at the famous and historic Komuth Bakeri, decorated in Renaissance-style paintings and frescos. Truly all-inclusive fares for these luxury sailings start at \$4,757 per person, double, with 42 departures in 2025.

The 16-day [Danube Delta Discovery](#) will now sail between Budapest and Bucharest in 2025 on a true Eastern European itinerary, where guests will be able to dive deep into the cultures and historical sites of six former behind-the-Iron-Curtain countries as well as enjoy the nightlife in four capital cities - Budapest, Bratislava, Belgrade and Bucharest - during overnight port calls. Highlights include a small boat cruise through the 580,000-hectare wetlands of the Danube Delta, teeming with more than 300 species of birds; an exclusive private classical music concert at the majestic Gödöllő Royal Palace, one of the favorite residences of Queen Elisabeth of Hungary; an e-bike tour through the Kopacki Rit nature park, a natural habitat for 293 different kinds of birds, 46 species of freshwater fish, several amphibians and reptiles; and a cooking class on making Banica, the traditional Bulgarian cheese-filled pie. Four departures bookend the season with fares starting at \$9,043.

The best way to add vacation time to a cruise is through city extensions. Scenic is adding two new three-day options for the 2025 season – Nuremburg and Munich, on top of the 10 already offered. As Bavaria's second-largest city, Nuremberg has had a turbulent history. As an important commercial hub from

the Middle Ages onwards, the city's rich heritage can still be seen and felt in its Old Town and one of the most significant imperial forts of the Holy Roman Empire, the 12th-century Imperial Castle, the preferred residence of German kings. Modern history is as important as the city's Documentation Center Nazi Party Rallying Grounds is a much-heralded museum whose permanent exhibition "Fascination and Terror" focusing on the causes, connections, and consequences of Nazi Germany.

Munich is one of Europe's most vibrant cities and exploring for three days will allow guests to journey between world-class museums, the 15th-century Frauenkirche church with its two distinctive onion domes, the famous carillon (Glockenspiel) in Marienplatz, a stroll through the English Garden - Munich's green lung, and a beer at the world famous Hofbräuhaus, founded in 1589. For those guests traveling in October, Munich's Oktoberfest is world famous and certainly worth the experience.

Planning and booking early comes with their own [rewards](#). Scenic is offering 2-for-1 pricing for guest booking early as well as free air for those who pay in full at least 12 months prior to departure.

The 5-star Scenic Space-Ships offer all-inclusive luxury experiences - from private butler service and unlimited complimentary beverages and spirits including mini-bar re-stocked daily, to six on-board dining options and a wellness area and fitness center. And guests will never have to reach for the wallet or purse as everything (except a haircut or massage) is included: tips and gratuities, expert local guides, all Scenic Freechoice activities that allow for a more personalized vacation, plus Scenic Enrich events which are exclusive to Scenic.
